

Boston March

Count	Figure
8	Active couples down the outside. (Active couples turn out - men turn right, ladies turn left - and walk down the outside of the set 6 steps, turn on counts 7 and 8 and return to place.)
8	Back up to place.
8	Same active couples down the center with partner. (Same active couples join right hands and walk down the center of the set 6 steps.)
8	Back to place. Cast off. (Turn alone and walk up the center to place still holding right hands, and cast off.)
8	Four hands around with the couple below.
8	Left hand star with the couple above.
16	Turn corners. (Man places his right arm lightly around the second lady's waist and they turn as a couple to face the center of the set; lady offers her left hand to second gentleman who takes her left hand in his left, places his right arm lightly around her waist and they turn as a couple to face the center of the set.)
